

Hello there,

I'm Charizard. I'm a draconic, bipedal Pokemon. I'm primarily orange with a cream underside from the chest to the tip of my tail. I've got a long neck, small blue eyes, slightly raised nostrils, and two horn-like structures protruding from the back of my rectangular head. I've got two large orange wings with blue-green undersides. My arms are short and skinny compared to my robust belly, and each of my limbs has three white claws.

Thank you so much for colouring me!
