

Hello my dear human,

I just fought  
a fierce

battle. All the

paint of my titanium

body got really damaged. Please

colour my metallic body. You can begin by

colouring my big gun yellow. Proceed by

colouring my eyes yellow and my mouth

grey. Next, colour my head red and blue.

Please colour my arms red.

Then colour my legs blue and finally

colour my magnetic shoes black.

Just for the record, I'm Optimus

Prime, leader of the Transformers.

I appreciate your help !
