

Hello There,

I'm Superman. I'm a superhero. My name on planet Earth is Clark Kent. My real name is Kal-El. I come from Planet Krypton. Now I'm living in Metropolis. I work for the Daily Planet Newspaper.

I hope you can help me out.
My costume was taken by Lois Lane to the Dry Cleaners and they've ruined all of its colours. Could you please colour it again?

Thank you so much for your kind help!
