

Greetings dear earthling,

I'm sure you know who I am. I require your help today. I hope you're available. First, I need you to colour my cape red. Next you should colour my hair yellow. My helmet used to be rusty but now you may colour it silver and golden. I'm wearing a light armor, you can colour it brown and black. Don't forget to colour my belt brown, white and yellow. Finally colour my leather shoes. Please accept my gratitude in advance.
