

*Hello dear future archeologist,*

*I'm a T-Rex. It's short for Tyrannosaurus Rex. My name means "king of the tyrant lizards. I'm as fake as a pocket monster.*

*Many consider me as the king of the dinosaurs. I'm a carnivore, therefore I could eat other dinosaurs or some other*

*small creatures lurking where I used to live. I had*

*strong thighs and a powerful tail. I had a strong bite as well.*

*I'm sure you will colour me*

*accurately.*
