

Hello dear Pokémon trainer,  
I'm Fennekin. I'm a small, quadruped fox-like Pokémon. I'm covered in pale yellow fur that is longer on my haunches. I've got a white muzzle with longer fur on my cheeks, large, dark orange eyes, and a pointed, black nose. When I open my

mouth, two pointed teeth can be seen in my upper jaw. Tufts of dark orange fur cover the interior of my large

ears. I've got small also paws with no visible toes and slim legs. My tail is fluffy with a dark orange tip.

my ears, I vent hot air from reaching temperatures of over 200 degrees Celsius. I use this ability to intimidate

opponents. I'm sure you'll colour me accordingly. I'll really appreciate your help. Thanks a lot!
