

Hello dear Night Brawler,

I'm Mortis. I'm a Mythic Brawler. My attack which includes movement is unique. I dash forward and damage enemies that I hit. My Super, summons a swarm of bats that drain the health of my enemies whilst restoring my own. I've got a moderate amount of health damage output. My first Star Power, Creepy Harvest, heals 1800 health when I kill an enemy brawler and increases my second Star Power, Coiled Snake, by 75%. Let's dash range everybody excellent show Stars what an you truly are. May this Brawl player shovel be the tool for your success. Godspeed!
