

Howdy my dear

brawler,

My name is

Piper. I'm an Epic Brawler and I'm

very hard to

find. I've got low health but

the potential to

do great harm to my

targets. My sin-

gle-shot

main attack does

more

damage the fur-

ther

the projectile tra-

vels, so

I'm great at su-

pporting

my team at range. My

Super

allows me to drop a

grenade on the

ground before jum-

ping away from

my enemies, letting

them deal with a big

explosion. My Gadget,

Auto Aimer, allows

me to fire four shots

from a pistol towards

the closest

enemy. My first Star Power,

Ambush,

allows me to do 800 extra

damage at

maximun range when I'm

in a bush

and my second Star

Power,

Snappy Sniping, re-

loads

0.3 ammo when I hit

an

enemy.

Please

do your best while

colou-

ring me and my

beautiful

dress as well.
