

# A3 English Bags

Hi, I'm Robert and I have no clue why I am here today. I've got two yellow umbrellas in a bag, Godzilla's cub, some ham, a piglet, a bucket of KFC chicken wings, a can of Coca-Cola, a revolver, fries, and some canned food for my old-time buddy Patrick.

I'm just a humble painter from the land of the rabbits aka hispania. I've got an AK-47 in a bag with a few bottles of Fanta. I've also bought a piglet, a time-bomb, a toothbrush, a tube of toothpaste, some fries, a few cans of food, and I've also got Pepa Pig.
