## Napoleon

I was born in 1769. I wanted to rule all over Europe. I've got a sheep, two yellow umbrellas in a bag, a few bottles of fanta, some bananas, a lady's purse, some peppers, a red backpack, a ring, and a pencil sharpener too.

My dear and elegant citizen of the World, I'm Elizabeth the Second. My full name is Elizabeth Alexandra Mary Windsor. I was born in 1926. I've got a sheep, some pencils, a plunger, a feather duster, a briefcase, four bottles of Fanta, and a shovel too.
