

# A3 English Bags

Hi, I'm a peaceful man. I've got a green-eyed sheep, a bag with two yellow umbrellas in it, four bottles of Fanta, a red backpack, a purse, some bananas, a red pencil sharpener, a golden ring, and some peppers too.

I'm a mad man, I'm wearing a belt full of explosives. I'll be able to use it only once if you know what I mean. I've got no heart. I've got some carrots, a sad sheep, a few bags of crisps, a sunflower, some olive oil, some vinegar, two olives, an apple, a pair of roller-blades, a brief-case, a pair of red dice, and a golden ring too.
