

# A3 English Bags

## Omega

Hi, I'm a young clone with a very strong personality. I'm fearless if you know what I mean. I've got a piglet, a green alien, a shopping cart, a bag with a few pineapples in it, some ham, a tennis ball, a few sausages, frenchfries, and a time-bomb.

I'm just going on an ego trip all the time. I can't find a way to control my temper. I've got a red-headed clown for my own personal entertainment, a SCAR in a bag, Godzilla's baby, a time-bomb, some canned food, a tennis ball, a piglet, and some ham as well.
