Greedo

Hi, I'm a green, mean sob. Ask Han Solo about me. I almost shot him when we met at the MOS EISLEY Cantina. I've got a toothbrush, a green alien, a piglet, a foal, a bag full of cookies, a tennis ball, a time-bomb, and some canned food as well.

I'm a famous bounty hunter and a good friend of the Mandalorian. I've got a foal, a piglet, and SpongeBob. I've also got a bag full of cookies, some dill, a tennis ball for Grogu, and some ham to make a few sandwiches before I go out on my next mission. I've got a toothbrush as well.
