Kylo

Hi, I'm Kylo Ren, son of Han Solo and Leia Organa. I've got a little lamb, a macaw, and a piglet. I've also got a motor-bike, some ham, a toothbrush, a tube of Colgate, a time-bomb, some fries, and a bag with a feather duster and a plunger in it.

Rey

Hi there, I used to be a scavenger. Now I'm one with the force if you know what I mean. I've got a surf-board, a SCAR, a bag full of cash, a piglet, a green alien, a motorbike, a time-bomb, some canned food, a toothbrush, a tube of Colgate, a tennis ball, a bucket of KFC chicken drumsticks, some fries, and a can of Coke too.
