

A3 English Bags

Mando

I was asked to take care of Grogu and I did my best. I haven't got any money. I've got four bottles of Fanta, a pair of military black boots, a gold ring, a loaded revolver, a bucket of chicken drumsticks, some fries, and a pencil just in case. I've also got a few bags of crisps in a bag.

Hi there, some people call me baby Yoda. As a matter of fact, I've got no clue about who Yoda is. I've got a Tommy gun, a bag full of one dollar bills, a bag of crisps, a sunflower, a red backpack, a couple of pencils, a ring, and lots of one hundred dollar bills.
