George

Howdy,
I can't say
nuclear but I
became president
of the USA.
911 happened
during my watch.
I've got some
apples, a sun-
flower, a pencil,
a basketball, a ring, a
pencil sharpener, a
skateboard, some
bananas, and a
few bottles of
Fanta.

Maxine

Hi I'm also
known as Mad
Maxine because
when I talk nobody
understands a
thing I say. I've
got a stolen red
toolbox, cookies,
kiwis, a pineapple
and a bit of one I
was just eating.
I've also got a
green apple, a can
of Coca-Cola, a
skateboard, and a
red pencil
sharpener.
