

A3 English Bags

Joe

Hello everybody, I'm Joe Biden, the real one. I'm talking to you from heaven. Yes, that's right. I passed away last year. I've got some oranges, a few books, some rice, chopsticks, sweets, a gold coin, a brush, a bucket filled with water, but I haven't got a glass to drink it. I've also got a deck of Pokémon cards.

Hi there, I'm a fake but that's ok. Everybody knows I'm not the real Joe Biden. I guess by know you would have figured that out all by yourself. I've got a toilet paper roll, a monitor for my old PC, a toilet brush, a bag full of cash, a comb, a brush, a gold coin, Pokémon cards, a beetle, a can of spinach, and a bucket of water too. I've also got a bowl of rice and a pair of chopsticks.
