

A3 English Bags

Chuck

Hello, I'm not sure why I am still breathing. To be honest, I reek of pus. I smell worse than my friend to my left. I've got some stolen oranges from California, a bucket of water, books, a bowl of rice, chopsticks, some sweets, a hair brush, a deck of Pokémon cards, and a gold coin which I can't handle. My hand burns when I hold it.

Howdy, I'm truly a natural soft and smelly pile of shit. I'm as natural as it gets. I've got a couple of toys in a bag, a bucket filled with water, some books, a ping-pong set, a hatchet, a pink comb, a bowl of rice, chopsticks, and three chocolate gold coins too. Do not walk near me because I smell like Chuck Schumer.
