

A3 English Bags

Telly

Hello, The Britons call me telly, but you know me as TV which is the abbreviation for television. I tell your parents what to do.

I've got three boogie bombs in a bag. I've also got an iron, a bucket filled with water, a wi-fi router, a gold coin, a hair clip, a comb, a toilet brush, a mouse without a mouse pad, and some books which will be burnt in short. I've also got a tin of spinach.

Hi, I'm wearing my night dress. I'm sure you know who I am.

People are just livestock to me and I wish them to disappear from the face of our green Earth; just to give her a chance to thrive. I've got some garden shears in a bag, an old PC, some sweets, two ping-pong bats, a ball, a deck of Pokémon cards, a gold coin, and a blue toilet brush, a pair of wooden chopsticks, a bowl of rice, and some rice in bowl because I'm hungry for some tasty Chinese food.

AOC

15 numbered illustrations of bags containing various items:
