Hi there fellows, I'm Saul Goodman. You'd better call me if you get in trouble with the law. I haven't got lots of money, that's for sure. As you may know, I'm famous for my poor judgement and bad decisions. I've got a couple of bright coloured umbrellas, a broom, a shovel, some law and history books, a deck of Pokémon cards, a few sweets, a can of spinach, a bowl of white rice, and a couple of chopsticks. You'd better call Saul!

Hi, I'm a high school teacher. I teach chemistry. Unfortunately, I've used my knowledge to break the law. I've got a sheep in a bag. I've also got an iron, a blue toilet brush, a hair brush which I use for my beard. I've got some chemistry books, a pair of plush slippers, a gold coin, a few sweets, two ping pong bats, and a ball. I've also got a disgusting, big, black beetle too.
